Email : shubhangidixitlko@gmail.com
Mobile: +91 9453921211

SKILLS

Languages : Python, Java, JavaScript, C, C++, R
Tools/Platforms : Jupyter Notebook, Tableau Public, PowerBI Desktop, MS Excel, MySQL Workbench, Git, GitHub, Docker(basic)
Soft Skills : Problem-Solving, Analytical Thinking, Communication, Teamwork, Leadership, Adaptability

PROJECTS

- Vector - AI Career Guidance System | GitHub** Jul' 26
- Created an AI powered career guidance platform using Gemini API to analyze resumes and generate personalized career recommendations and skill-gap insights.
 - Optimized 5+ backend modules with Node.js, Express.js, and MongoDB, including REST APIs, authentication, and structured data management for seamless resume and user-data processing.
 - Automated the resume analysis pipeline by connecting Gemini AI, Cloudinary, and MongoDB, enabling end-to-end resume upload, cloud storage, AI processing and personalized recommendation according to skill profile while improving application scalability and workflow efficiency.
Tech Stack : JavaScript, React.js, Node.js, Express.js, MongoDB Atlas, Gemini API, REST API, Cloudinary, JWT Authentication, HTML5, CSS3.
- Region-Wise Descriptive Analysis of MGNREGA in India | Github** May' 26
- Built an end-to-end data pipeline to analyze raw district-level MGNREGA data that cleaned, transformed and automated the processing of 72,575 records across 36 variables spanning 6 Indian states and 7 financial years using Python, resulting into analysis-ready aggregated datasets for regional comparison.
 - Engineered 7+ analytical indicators and executed 4+ data-preprocessing and EDA stages to resolve data inconsistencies and improve reliability by creating meaningful metrics which enabled cross-state evaluation across India.
 - Developed a Power BI dashboard with 8+ visualizations across state, regional and yearly dimensions, enabling identification of employment trends, expenditure patterns, social inclusion and regional performance gaps for comparative study of MGNREGA implementation across India.
Tech Stack : Python, Jupyter Notebook, PowerBI, MS Excel, Pandas, Numpy, Seaborn, Matplotlib, Scikit-Learn

- SecureFS — Secure File Management System | Github** Apr' 26
- Designed a secure file management web application interface supporting user registration, login, file upload, file management and file sharing, establishing an intuitive workflow for authenticated users to securely manage digital files.
 - Implemented 5+ core modules using HTML, CSS and JavaScript, incorporating form validation, navigation, responsive design and interactive UI components to streamline file-management operations and improve overall user experience.
 - Integrated frontend workflows with authentication and access-control mechanisms, supporting password-based login, 2FA verification and protected file operations, resulting in a unified interface for secure file management and sharing.
Tech Stack : HTML,CSS, JavaScript, Python, Flask, SQLite, bcrypt, cryptography, pyotp

TRAINING

- AI-Driven MERN Stack Bootcamp | Lovely Professional University | Certificate** Jul' 26
- Undertook comprehensive training in MERN Stack, full-stack development and fundamentals of DevOps, with a focus on applying concepts beyond classroom learning.
 - Applied full-stack development concepts through real-world projects, strengthening hands-on skills in building web applications and understanding development and deployment workflows.
 - Earned an O Grade on successful completion of the training, demonstrating strong performance across MERN Stack.

CERTIFICATES

Database Management System Part-1 | Infosys Aug' 26
Data Management (Excel & Tableau) | Tech Veda Mar' 25
Basic to Beyond Python | CSE Pathshala Jan' 25
Microsoft Learn Student Ambassador CodeStorm Hackathon | MLSA Nov' 24
Communication Skills | Udemy Oct' 24

CERTIFICATIONS

Deloitte Data Analytics Job Simulation | Forage Jul' 26
Programming in JAVA | iamneo May' 26
Object Oriented Programming | iamneo Jan' 26
Data Structure and Algorithm | iamneo Jan' 26
Computer Programming | iamneo May' 25

EDUCATION

Lovely Professional University Phagwara, Punjab
Bachelor of Technology (Hons.) Jul' 24 – Present
Computer Science and Engineering; CGPA: 8.04

City Montessori School Lucknow, Uttar Pradesh
Intermediate Mar' 23 – Apr' 24
PCM, Percentage: 92.4%

City Montessori School Lucknow, Uttar Pradesh
Matriculation Mar' 21 – May' 22
Percentage: 97.8%
